The above list reflects unaudited securities holdings (excluding cash) as of September 30, 2025. This is intended for informational purposes only and should not be substituted for quarter-end portfolio holdings filed with the SEC. Portfolio information is subject to change at any time. Data provided by State Street.

⁽¹⁾ For asset types described as senior loan, corporate bond, or CLO debt, the rate represents the stated annualized interest rate in effect on the date presented. Variable rate loans bear interest at a rate that may be determined by reference to the London Interbank Offered Rate ("LIBOR"), the Secured Overnight Financing Rate ("SOFR"), the U.S. Prime Rate ("PRIME"), or an alternate base rate, at the borrower's option. For asset types designated as CLO equity, the rate represents the annualized effective yield on the date presented based on estimated future cash flows.

⁽²⁾ This loan or a portion of this loan represents an unsettled loan purchase. The interest rate will be determined at the time of settlement and will be based upon a spread plus the applicable reference rate determined at the time of purchase.

⁽³⁾ Fair value is estimated in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures* under U.S. generally accepted accounting principles.

⁽⁴⁾ As of September 30, 2025, the Fund had entered into the following commitment to fund a revolving senior secured loan. Such commitment is subject to the satisfaction of certain conditions set forth in the documents governing this loan and there can be no assurance that such conditions will be satisfied.
