Dear Stockholder:

Enclosed you will find a Notice and Proxy Statement for the Annual Meeting of Stockholders of Ares Dynamic Credit Allocation Fund, Inc., a Maryland corporation (the "Fund"), to be held in virtual format via live webcast on June 4, 2026.

The matter on which you, as a stockholder of the Fund, are being asked to vote is the election of two of the Fund's directors.

After reviewing the matter carefully, the Board of Directors recommends that you vote FOR the election of each of the nominees.

YOUR VOTE IS IMPORTANT, REGARDLESS OF THE NUMBER OF SHARES YOU OWN. PLEASE TAKE A FEW MINUTES TO REVIEW THIS MATERIAL AND AUTHORIZE A PROXY TO VOTE YOUR SHARES BY TELEPHONE, BY INTERNET OR BY USING THE ENCLOSED PROXY CARD. IT IS IMPORTANT THAT YOUR PROXY BE AUTHORIZED BY THE CLOSE OF BUSINESS EASTERN TIME ON JUNE 3, 2026 IF YOU AUTHORIZE A PROXY BY MAIL, OR BY 11:59 P.M. EASTERN TIME ON JUNE 3, 2026 IF YOU AUTHORIZE A PROXY BY TELEPHONE OR INTERNET. YOUR PROMPT RESPONSE IS NEEDED TO AVOID FOLLOW-UP MAILINGS, WHICH WOULD INCREASE THE COSTS PAID BY ALL STOCKHOLDERS.

Thank you very much for your assistance.

Respectfully,

Ian Fitzgerald
Corporate Secretary

ARES DYNAMIC CREDIT ALLOCATION FUND, INC.

Notice of the Annual Meeting of Stockholders June 4, 2026

To the Stockholders of Ares Dynamic Credit Allocation Fund, Inc.:

NOTICE IS HEREBY GIVEN that the Annual Meeting of Stockholders (the "Meeting") of Ares Dynamic Credit Allocation Fund, Inc., a Maryland corporation (the "Fund"), will be conducted in virtual format via live webcast on June 4, 2026 at 10:00 a.m. Pacific Time, for the following purposes:

- (1) To consider and vote upon the election of two Class I directors, to serve for a term expiring on the date on which the Annual Meeting of Stockholders is held in 2029 and until their successors are duly elected and qualify ("Proposal 1").
- (2) To transact such other business as may properly come before the Meeting or any postponements or adjournments thereof.

The Board of Directors of the Fund (the "Board") has fixed the close of business on April 1, 2026 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting or any postponements or adjournments thereof.

The Board unanimously recommends that the stockholders vote FOR the election of the nominee as a Director with respect to the Fund.

You are cordially invited to attend the Meeting virtually via live webcast. Instructions on how to register to attend, vote and ask questions at the Meeting can be found at www.virtualshareholdermeeting.com/ARDC2026. Stockholders of record as of the close of business on April 1, 2026, the record date for the Meeting, will be afforded the same rights and opportunities to vote, ask questions and participate as they would at an in-person annual meeting. In particular, stockholders may submit questions in advance of, or live during, the Meeting by following the instructions and rules of conduct on the Meeting website. During the Meeting, the Fund intends to answer questions that are pertinent to the Fund and the official business of the Meeting, subject to time constraints. Stockholders who do not expect to attend the Meeting are requested to authorize a proxy by telephone, by Internet or by completing, dating and signing the enclosed proxy card and returning it promptly in the postage-paid reply envelope provided for that purpose. The enclosed proxy is being solicited by the Board.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON JUNE 4, 2026: This Notice, the Proxy Statement, a proxy card for the Fund and the annual report for the Fund are available on the Internet at www.arespublicfunds.com. Requests for an annual report should be made in writing to D.F. King & Co., Inc., 28 Liberty Street, 53rd Floor, New York, New York 10005, or by accessing the Fund's website at www.arespublicfunds.com, or by calling (800) 431-9633 or by sending an e-mail to ares@dfking.com. You are encouraged to review all of the information contained in the proxy materials before voting. It is important that your proxy be authorized by the close of business Eastern Time on June 3, 2026 if you authorize a proxy by mail, or by 11:59 p.m. Eastern Time on June 3, 2026 if you authorize a proxy by telephone or Internet. The Fund has two classes of capital stock outstanding, common stock and preferred stock. The holders of the preferred stock, voting as a class, have the sole right to elect the two directors designated as the preferred stock directors: Elaine Orr and David Sachs. Because Elaine Orr is the sole preferred stock director whose term is expiring at this year's Meeting, Elaine Orr will be voted on solely by the holders of the Fund's preferred stock. The holders of the Fund's common stock and preferred stock, voting together as a single class, are entitled to elect the remaining Directors. Among the remaining Directors, only Jeffrey Perlowitz's term is expiring at this year's Meeting.

PROXY STATEMENT

ARES DYNAMIC CREDIT ALLOCATION FUND, INC.

ANNUAL MEETING OF STOCKHOLDERS

JUNE 4, 2026

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board", the members of which are referred to as "Directors") of Ares Dynamic Credit Allocation Fund, Inc. ("ARDC" or the "Fund"), a Maryland corporation, for use at the 2026 Annual Meeting of Stockholders (the "Meeting"), to be held in virtual format via live webcast on June 4, 2026 at 10:00 a.m. Pacific Time, and at any postponements or adjournments thereof.

Proxy solicitations will be made, beginning on or about April 7, 2026, by mail, in person, by electronic mail, by telephone or by other electronic means, by officers of the Fund or personnel of Ares Capital Management II LLC (the "Investment Manager"). Any stockholder authorizing a proxy has the power to revoke it by executing a superseding proxy by telephone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the Fund prior to the date of the Meeting, or at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, "FOR" the election of the nominees as Directors, as described in this Proxy Statement, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting.

The Fund has two classes of capital stock outstanding consisting of common stock (the "Common Stock") and preferred stock (the "Preferred Stock" and, together with the Common Stock, the "Shares"). The Fund has three series of Preferred Stock outstanding which are classified as Series A Mandatory Redeemable Preferred Stock, Series B Mandatory Redeemable Preferred Stock and Series C Mandatory Redeemable Preferred Stock. Each Share is entitled to one vote at the Meeting with respect to matters to be voted on by the class to which such Share belongs, with pro rata voting rights for any fractional Shares. No Shares have cumulative voting rights. The holders of the Preferred Stock, voting as a class, however, have the sole right to elect the two directors designated as the Preferred Stock directors: Elaine Orr and David A. Sachs. Because Elaine Orr is the sole Preferred Stock director whose term is expiring at this year's Meeting, Elaine Orr will be voted on solely by the holders of the Fund's Preferred Stock (the "Preferred Stockholders"), with each series voting together as a single class. The holders of the Fund's Common Stock (the "Common Stockholders") and the Preferred Stockholders, voting together as a single class, are entitled to elect the remaining Directors. Among the remaining Directors, only Jeffrey Perlowitz's term is expiring at this year's Meeting. For voting by the Preferred Stockholders on a matter requiring a separate vote of the Preferred Stock, which is the case at this year's Meeting regarding the nomination of Elaine Orr, the presence at the virtual Meeting or by proxy of the holders of Preferred Stock entitled to cast a majority of the votes entitled to be cast by the Preferred Stock on the matter shall constitute a quorum. For voting by the Common Stockholders and the Preferred Stockholders on a matter requiring the total vote of the Common Stockholders and the Preferred Stockholders, which is the case at this year's Meeting regarding the nomination of Jeffrey Perlowitz, the presence at the virtual Meeting or by proxy of the Common Stockholders and the Preferred Stockholders entitle to cast a majority of the votes entitled to be cast by the Common Stockholders and the Preferred Stockholders on the matter shall constitute a quorum.

For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposal 1 will be treated as Shares that are present for quorum purposes and will be voted "FOR" the election of the nominees as Directors. Abstentions are included in the determination of the number of Shares present at the Meeting for purposes of determining the presence of a quorum. **If a stockholder of the Fund is present at the Meeting or by proxy at the Meeting but does not cast a vote, the stockholder's Shares will count towards a quorum.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the Meeting may be adjourned by the chair of the Meeting (as determined pursuant to the Fund's Bylaws). If a quorum is present, a stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. The chair of the Meeting may adjourn any meeting of stockholders from time to

time to a date not more than 120 days after the original record date without notice other than announcement at the Meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified. The Fund may postpone or cancel a meeting of stockholders by making a public announcement (as defined in the Fund's Bylaws) of such postponement or cancellation prior to the meeting. Notice of the date, time, and place to which the meeting is postponed shall be given not less than ten days prior to such date and otherwise in the manner set forth in the Fund's Bylaws.

The Board has fixed the close of business on April 1, 2026 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any postponement or adjournment thereof. As of the record date, the Fund had outstanding 23,965,972 shares of Common Stock, 800,000 shares of Series A Mandatory Redeemable Preferred Stock, 1,200,000 shares of Series B Mandatory Redeemable Preferred Stock and 2,000,000 shares of Series C Mandatory Redeemable Preferred Stock.

Management of the Fund knows of no business, other than that mentioned in Proposal 1 of the Notice of Meeting, which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy card to vote in accordance with their discretion.

The Fund will furnish, without charge, a copy of its annual report for the fiscal year ended December 31, 2025. Requests for a report should be made in writing to D.F. King & Co., Inc., 28 Liberty Street, 53rd Floor, New York, New York 10005, or by accessing the Fund's website at www.arespublicfunds.com, or by calling (800) 431-9633 or by sending an e-mail to ares@dfking.com.

You may obtain additional copies of the Notice of Meeting, Proxy Statement and proxy card by calling (800) 431-9633 or by accessing www.arespublicfunds.com. There are multiple ways to authorize a proxy to vote your Shares. Choose the method that is most convenient for you. To authorize a proxy by telephone or Internet, follow the instructions provided on the proxy card. To authorize a proxy by mail simply fill out the proxy card and return it in the enclosed postage-paid reply envelope. Please do not return your proxy card if you authorize a proxy by telephone or Internet. To vote at the Meeting, follow the instructions on how to register to attend and vote at the Meeting, which can be found at www.virtualshareholdermeeting.com/ARDC2026. Stockholders of record as of the close of business on April 1, 2026, the record date for the Meeting, will be afforded the same rights and opportunities to vote, ask questions and participate as they would at an in-person annual meeting. In particular, stockholders may submit questions in advance of, or live during, the Meeting by following the instructions and rules of conduct on the Meeting website. During the Meeting, the Fund intends to answer questions that are pertinent to the Fund and the official business of the Meeting, subject to time constraints.

PROPOSAL 1 ELECTION OF DIRECTORS

The Fund's Articles of Amendment and Restatement (the "Charter") provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the current Directors of the Fund in each class continue until the Annual Meeting of Stockholders in the year indicated and until their respective successors are duly elected and qualify: Class I, 2026; Class II, 2027; and Class III, 2028. At each subsequent annual election, Directors chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board members.

The terms of Elaine Orr and Jeffrey Perlowitz will expire at the 2026 Annual Meeting of Stockholders of the Fund. At a meeting held on February 10, 2026, the Board nominated Elaine Orr and Jeffrey Perlowitz for election to serve as Class I Directors of the Fund until the Fund's 2029 Annual Meeting of Stockholders and until their respective successor is duly elected and qualifies.

The persons named in the accompanying proxy card intend, in the absence of contrary instructions, to vote all proxies "FOR" the election of Elaine Orr and Jeffrey Perlowitz, each to serve for a term for the Fund expiring on the date on which the Annual Meeting of Stockholders of the Fund is held in 2029, and until their

respective successor is duly elected and qualifies. Each nominee has indicated that they will serve if elected. If a nominee should be unable to serve, an event not currently anticipated, the proxies will be voted for such person, if any, as is designated by the Board to replace the nominee. Under the Charter and the Investment Company Act of 1940, as amended (the "1940 Act"), the Preferred Stockholders, voting as a separate class, are entitled, to the exclusion of the Common Stockholders, to elect two Directors, and the Common Stockholders and Preferred Stockholders, voting together as a single class, are entitled to elect the remaining Directors. The Preferred Stockholders would be entitled to elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist as of the date of this Proxy Statement. Elaine Orr and David A. Sachs are currently the Directors elected solely by the holders of the Fund's Preferred Stock. Because Elaine Orr's term is expiring at this year's meeting, Elaine Orr will be voted on solely by the holders of the Fund's Preferred Stock, with each series voting together as a single class. A quorum of the Preferred Stockholders must be present in person or by proxy at the Meeting in order for the proposal to elect Elaine Orr to be considered. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your Shares will be voted "FOR" the election of the nominee as a Director. The Fund's Directors are not required to attend the Meeting. Two of the Directors of the Fund then in office attended the Fund's Annual Meeting of Stockholders held on June 17, 2025.

Leadership Structure, Composition and Role of Board of Directors of the Fund in Risk Oversight

The 1940 Act requires that at least 40% of the Directors be Independent Directors. Certain exemptive rules promulgated under the 1940 Act require that a majority of the Directors be Independent Directors. Currently, three of the five Directors (60%) of the Fund are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairperson of the Board (the "Chair"), regardless of whether the Director happens to be independent or a member of management.

The Board has determined that their leadership structure, in which the Chair is an interested person of the Fund, is appropriate because the Independent Directors believe that an interested Chair has a personal and professional stake in the quality and continuity of services provided by management to the Fund. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chair and that a key factor for assuring that they are in a position to do so is for the Independent Directors to constitute a majority of the Board.

The Board performs its risk oversight function primarily through (a) its two standing committees, the Audit Committee and the Nominating and Governance Committee, which report to the entire Board and are comprised solely of Independent Directors, and (b) monitoring by the Fund's Chief Compliance Officer in accordance with the Fund's compliance policies and procedures. The Board retains the responsibility for: (1) conducting periodic reviews of the Fund's investment portfolio and investment performance, (2) approving and amending the Fund's investment guidelines, (3) approving the appointment and retention terms of the Investment Manager and the

Fund's other service providers and officers, and (4) providing risk management oversight by reviewing and monitoring the services and activities provided by the Investment Manager and other service providers and officers. In addition, the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors. Jeffrey Perlowitz is the lead Independent Director.

As described below in more detail under "Committees of the Board of Directors," the Audit Committee and the Nominating and Governance Committee assist the Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the Fund's accounting and financial reporting processes, the Fund's systems of internal controls regarding finance and accounting and audits of the Fund's financial statements and discussing with management the Fund's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Fund's risk assessment and risk management policies. The Nominating and Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the Fund's stockholders, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Audit Committee and the Nominating and Governance Committee consist solely of Independent Directors.

The Board performs its risk oversight responsibilities with the assistance of the Fund's Chief Compliance Officer. The Fund's Chief Compliance Officer periodically makes reports to the Board regarding the Fund's compliance program and prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of the Fund and certain of the Fund's service providers. The Chief Compliance Officer's report, which is reviewed by the Board, addresses at a minimum: (a) the operation of the compliance policies and procedures of the Fund and certain of the Fund's service providers since the Chief Compliance Officer's last report; (b) any material changes to such policies and procedures since the Chief Compliance Officer's last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (d) any material compliance matter that has occurred since the date of the Chief Compliance Officer's last report about which the Board would reasonably need to know to oversee the Fund's compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least once each year.

The Fund believes that the extent of the Board's (and its committees') role in risk oversight complements the Board's leadership structure because it allows the Fund's Independent Directors, through the two fully independent Board committees, a lead Independent Director, executive sessions with the Chief Compliance Officer and auditor and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

Committees of the Board of Directors

The Board has established an Audit Committee and a Nominating and Governance Committee. The Fund does not have a Compensation Committee because closed-end management investment companies, such as the Fund, are exempt from the requirement to have a compensation committee under the applicable New York Stock Exchange ("NYSE") rules.

Audit Committee. The members of the Audit Committee are Elaine Orr, John J. Shaw and Jeffrey Perlowitz, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Elaine Orr serves as chair of the Audit Committee. Elaine Orr and John J. Shaw have been determined to be Audit Committee Financial Experts for the Fund. The Audit Committee is responsible for approving the Fund's independent accountants, reviewing with the Fund's independent accountants the plans and results of the audit engagement, approving professional services provided by the Fund's independent accountants, and reviewing the independence of the Fund's independent accountants. The Audit Committee met four times during the fiscal year ended December 31, 2025. The Audit Committee's charter is available on the Fund's website at (www.arespublicfunds.com).

Nominating and Governance Committee. The members of the Nominating and Governance Committee are Elaine Orr, John J. Shaw and Jeffrey Perlowitz, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Jeffrey Perlowitz serves as chair of the Nominating and Governance Committee. The Nominating and Governance Committee is responsible for selecting, researching and nominating Directors for election by the Fund's stockholders, selecting nominees to

fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Nominating and Governance Committee met five times during the fiscal year ended December 31, 2025. The Nominating and Governance Committee's charter is available on the Fund's website at (www.arespublicfunds.com).

The Nominating and Governance Committee may consider recommendations for nomination of individuals for election as Directors from stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the Fund's Bylaws) and received at the Fund's principal executive offices not earlier than the 150th calendar day nor later than 5:00 p.m., Eastern Time, on the 120th calendar day prior to the first anniversary of the date on which the Fund first mailed its proxy materials for the previous year's Annual Meeting of Stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 calendar days from the prior year, the nomination must be received no earlier than the 150th calendar day prior to the date of such annual meeting nor later than 5:00 p.m., Eastern Time, on the later of (a) the 120th calendar day prior to the date of such annual meeting or (b) the 10th calendar day following the day on which public announcement of such meeting date is first made.

Director Qualifications

The Nominating and Governance Committee seeks candidates who possess the background, skills and expertise to make a significant contribution to the Board, the Fund and its stockholders. In considering possible candidates for election as a Director, the Nominating and Governance Committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting Directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of the Fund;
- are able to work with the other members of the Board and contribute to the success of the Fund;
- can represent the long-term interests of the Fund's stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying Director candidates. However, the Nominating and Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

The following is a summary of the experience, qualifications, attributes and skills of each Director and Director nominee that support the conclusion that each Director and Director nominee should serve as a Director of the Fund.

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Board possesses the requisite attributes and skills. The Board believes that the Directors' ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Investment Manager, other service providers, counsel and the auditor, and to exercise effective business judgment in the performance of their duties, support this conclusion. In addition, the following specific experience, qualifications, attributes and/or skills apply to each Director. The Directors have not set a mandatory retirement age.

Each Director, except for Elaine Orr and Jeffrey Perlowitz, has served on the Board of the Fund for five or more years. Elaine Orr and Jeffrey Perlowitz were appointed to the Board of the Fund effective August 9, 2022 and May 7, 2025, respectively. David A. Sachs has substantial experience as a founding member and Partner of Ares and advising clients with respect to the credit markets. Seth J. Brufsky has substantial experience as a founding member and Partner of Ares and advising clients with respect to the credit markets. John J. Shaw has substantial experience as a senior executive of an operating company and as a business consultant. Elaine Orr has substantial experience serving as a director on pension, nonprofit and exchange traded fund boards as well

as substantial experience in the asset management industry generally. Jeffrey Perlowitz has substantial experience as a managing director of an investment bank and as a director of a financial services company. References to the experience, qualifications, attributes and skills of Directors are pursuant to requirements of the U.S. Securities and Exchange Commission ("SEC"), do not constitute holding out the Board or any Director as having any special expertise, and shall not impose any greater responsibility or liability on any such person or on the Board.

Broker Non-Votes

Brokers holding Shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on Proposal 1 before the Meeting. Under the rules of the NYSE, such brokers may, for certain "routine" matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a "routine" matter and, accordingly, beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the election of each nominee as a Director. Consequently, a properly executed proxy card or other authorization by a beneficial owner of shares that does not specify how the beneficial owner's Shares should be voted on Proposal 1 may be deemed an instruction to vote such Shares in favor of the election of each nominee as a Director.

Stockholder Approval

Election of Elaine Orr for Director requires the affirmative vote of the holders of a majority of the shares of Preferred Stock outstanding and entitled to vote thereon. Election of Jeffrey Perlowitz for Director requires the affirmative vote of the holders of a majority of the shares of Preferred Stock and Common Stock, in total, outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the election of each nominee as a Director.

THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEE.
